

# Fifth Annual South Central Conference on Mesoamerica

## Call for Abstracts

The fifth annual South Central Conference on Mesoamerica is a multi-disciplinary event that aims to present current research in Art History, Archaeology, and other subfields of Anthropology within Mesoamerica. This conference is a venue for scholars, students, and the interested public from across the region to share ideas, information, and interpretations. The conference is free and open to the public. A limited number of travel stipends are available to student presenters. To apply for the stipend, submit the application via email after the abstract submission.

Both papers (15 minutes in length) and posters will be presented at this year's conference. If all paper presentation slots are filled, the committee reserves the right to change an abstract to a poster rather than a paper. Please note on your submission if you are willing to present a poster.

The deadline for abstract submittal is **Friday, September 5<sup>th</sup>**.

The organizers will announce all decisions about papers and posters by Saturday, September 20<sup>th</sup>.

**Please visit the website [southcentralmeso.org](http://southcentralmeso.org) to submit an abstract.**
