Elementary Explorations: El Dia de los Muertos/Day of the Dead

Denise Tullier-Holly, Southeastern University Lab School

See how Denise introduces this vibrant custom to her elementary/middle school students. A digital slide show, student artwork, hands-on activities and books will construct a path for you and your own explorations. Elementary Explorations will build curiosity for the wonderful world beyond our borders as well as spark life-long learning and care for our global neighbors.

7:15 - 7:30 PM

Day of the Dead at the Ogden - Activities
