

# PRE- AND POST-PROGRAM REQUIREMENTS GUIDE

## MAYAN LANGUAGE INSTITUTE (VIRTUAL)

### SUMMER 2021

This document outlines pre-and post-program requirements and evaluations. **Students should review it fully and carefully prior to the program start date.** Please direct all questions to the Program Manager, Dr. Hannah Palmer at [sclassum@tulane.edu](mailto:sclassum@tulane.edu) or (504) 862-8629.

#### “POST-DECISION” FORMS

Once students have committed to the program through their online application, they will have access to a set of “Post-Decision” documents. *Note: non-Tulane students must sign in to the Study Abroad Portal using the guest username and password established when they first created their application.*

In 2021, there is 1 post-decision form:

1. Latin American Studies Health and Wellness (optional); *We highly encourage all students to complete this questionnaire, as it will enable program staff to connect students with important resources and provide better individualized support.*

#### ORIENTATION SESSIONS

Each program (Kaqchikel and K’iche’) will hold a mandatory orientation session via Zoom approximately 1-2 weeks before the program start date. The program manager will communicate the date and time of these orientation sessions via email.

#### PROGRAM EVALUATIONS

Students will be asked to complete two anonymous program evaluations:

1. *Pre-Program Evaluation* provides feedback on the application, admissions, and orientation processes. It should be submitted **before the Program Start Date**.
2. *Final Program Evaluation* provides feedback on courses and instructors, extracurricular activities, and program structure. It should be submitted **within 1 week of completing the course**.

#### FLAS LANGUAGE EVALUATIONS (FLAS FELLOWS ONLY)

Students who have been awarded a FLAS fellowship must also complete two FLAS language evaluations: pre-program and post-program. Students should work with the Faculty Director to complete these evaluations.
